Read the following:

1. G.O.Ms.No.316, HM&FW (C2) Dept., dt. 25-8-2008.

O R D E R:

In the G.O read above while notifying 14-8-2008 as specified date, orders were issued according necessary permission to the Commissioner, A.P.Vaidya Vidhana Parishad to call for options from the willing staff working as on 14-8-2008 on deputation in A.P.Vaidya Vidhana Parishad and from those staff working in the Directorate of Health and in the Directorate of Medical Education for their absorption into A.P.Vaidya Vidhana Parishad on permanent basis. Accordingly necessary paper notification was given to the above effect by the O/o the A.P.Vaidya Vidhana Parishad and the process of absorptions is being completed in the O/o Commissioner, A.P.Vaidya Vidhana Parishad, Hyderabad .

2. In the reference 2nd read above, the A.P. Government Doctors Association has submitted representations to Government with a request to extend the time limit for submission of options for absorption into A.P.Vaidya Vidhana Parishad, Hyderabad by citing the following reasons:-

- (i) Majority of eligible doctors under the control of Director of Health & DME and in some APVVP hospitals were not aware of the absorptions process as option forms were not circulated as in the past to all the doctors , through proper channel. Because of this out of three thousand doctors in DH only 53 doctors opted for absorption.
- (ii) For the posts of Civil Surgeons (General) the cadre strength is 71, but only 9 persons are absorbed and in the panel list prepared on Director of Health for 2008-2009, contains 107 eligible names.
- (iii) For Deputy Civil Surgeon posts, the cadre strength is 301, but only 100 are absorbed and in the panel prepared on Director of Health for 2008-2009 contains 236 eligible names.
- (iv) The back bone of APVVP hospitals is the category of Civil Surgeon Specialists whose cadre strength is 405 but only 206 are absorbed. Still 199 vacancies are existent. The in-service Post Graduates Degree/Diploma after increase of the P.G. in -service quota in clinical subjects to 30% first batch completed their course in June,2009. They will be available to be absorbed as specialists and many specialists on Director of Health side did not give their option. They can significantly fill the vacant Specialist Posts in A.P.Vaidya Vidhana Parishad and thus purpose for initiating absorption process would be fulfilled.

(v) On behalf of the said association when their office bearers interacted with the Government it is clearly gathered that many are interested to give options to be absorbed into APVVP but due to lack of information they could not do so.

3. The Government after careful consideration of the issue felt that there is a shortfall of all categories of Doctors in general and Civil Surgeon/ Civil Surgeon Specialists categories in particular in A.P.Vaidya Vidhana Parishad Hospitals in the state. It is important that all available specialists are attracted to join A.P.Vaidya Vidhana Parishad to enable this institution to run as first referral unit wherever they are presently located.

4. The Government therefore, hereby decide in partial modification to the orders issued in the G.O. read above and order as a special case, to extend the process of absorptions in A.P.Vaidya Vidhana Parishad in respect of Doctors (ie., all categories) by one more month (ie., from 1-7-2009 to 30-7-2009) duly allowing all the willing Doctors (ie., those working on deputation in A.P.Vaidya Vidhana Parishad, as well as, those working under the Directorate of Health and Directorate of Medical Education) to exercise their options for being absorbed into A.P.Vaidya Vidhana Parishad.

5. The Commissioner, A.P.Vaidya Vidhana Parishad is requested to take necessary action accordingly, duly ensuring that options forms (with details of category wise cadre strength) are circulated to all the Doctors through proper channel. Even a paper notification to above effect would be made by Commissioner to attract offers for absorption from all eligible.
